

# Reliable Hole Saw

with All-Around Application

**New!** The HSS bimetal hole saw with standard adapter system.

**BOSCH**  
Invented for life

### High quality material

The Bosch HSS bi-metal hole saw composes of HCS carrier and HSS teeth which provides extended lifetime.

### Multiple application:

It cuts in metal, aluminium, plastic and wood.

### Special tooth geometry

The vario-pitch tooth technology and improved gullets enable faster and smoother cutting.

### Broad range

Complete range from 16 mm to 152 mm, covers all important diameters.

### Standard adapter system

It fits not only Bosch adapter but also most bimetal hole saw adapter systems in the market.
